

Natchez Convention Promotion Commission

Request for Proposals Visit Natchez Advertising Agency

MISSION STATEMENT

The mission of the NCPC and Visit Natchez as the city's official destination marketing organization is to increase the economic impact of tourism in Natchez by developing and promoting the city to individual and group visitors.

ABOUT VISIT NATCHEZ

The Natchez Convention Promotion Commission and Visit Natchez (hereinafter referred to as NCPC) was established by authority of the Mississippi Legislature for the purpose of encouraging and promoting tourism for the Natchez/Adams County area. This commission is appointed by the Mayor and Board of Aldermen of the City of Natchez.

The NCPC is Natchez's liaison between potential visitors to the area and the businesses that will host them when they come. It acts as a marketing organization, as an information clearing house, and as a promotional agency for the City and its attractions. It also has fiduciary responsibility for how the tourism taxes funding the NCPC's activities are spent.

ABOUT NATCHEZ

Originally inhabited by the Natchez Indians and founded in 1716 as a French settlement, Natchez, Mississippi is the oldest city in the state and one of the oldest cities in the country. Located on the bluffs overlooking the Mississippi River, we are known not only for our historic buildings, homes and churches, National Park sites, ancient Indian mounds, and the Natchez Trace Parkway, but also for magnificent sunsets, delicious cuisine, a vibrant art and music scene, outdoor adventures, walking trails, and events all year long. The travel and tourism industry has long been a major driver of the local economy, with employment over 20%, and supports hotels, B&B's, restaurants, shops, tour companies by welcoming visitors from around the world. Natchez has a rich history to share including the stories of the Natchez Indians, pre-civil war houses and architecture, African American history from slavery to the civil rights era, women's groups who saved the city from bankruptcy and irrelevancy. In addition to our unique history, Natchez is also looking forward with a vibrant experience for travelers including a burgeoning movie production scene, the largest assortment of bed and breakfasts in the country, riverboat cruise ships and authentic Natchez shopping and dining. The cultural background in Natchez is very diverse with not only a strong parity of black and white demographics, but also a rich tradition of women leadership and a growing LGBTQ community.

Natchez faces an opportunity to drive a greater volume of visitation with travelers looking for a new adventure as we emerge from the pandemic and travel restrictions. Post COVID-19, we must be prepared to inspire travel and capture our share of the market to help aid in economic recovery for Natchez and the tourism industry. We have a new story to tell and are looking to create a new brand to help define and represent our path forward.
